

Thanks,
Fujiwara-
san.

Sorry for
asking so
much of
you.

Not at
all. Please
don't worry
about it.

Heh.
Being so
kind, people
will rely on
you quickly.

You help
out your
friends a lot
too, right?
Impressive.

Oh
no.

I'm
just
doing
what I
can.

To be
honest.

There
aren't anyone
whom I see as
my friend.

My classmates
were all either
impressed with
me being an
"Ojou-sama," or
they followed
their parents'
orders

It has
always been that
those who want to
connect with me,
do so just to
associate with the
Fujisawa family

It made
everything so
boring.

No one sees
the real me.

Kura-
shiki
Yuri-
san...?

Such
quiet
dignity...

She
doesn't
hide her
blonde
hair.

And
pays no
mind to the
stories and
whispers
around
her

I could
not take
my eyes
off her

That's
how you're
living your
life...

Has she...

...been looking at me?
